## Minutes

### 1. OPENING

Joe Loewenstein, Chairman, opened the meeting at 5:30pm.

### 2. PREVIOUS MINUTES

The Minutes for the September Meeting were made available to the members and approved as written.

### 3. REPORTS

- **BILL OHL:** CVF ATC Report  
Absent. No report.
- **STEVE CROW:** LUK ATC Report  
The airport had 11,008 operations for October 2002. To date there have been 142,269 operations compared to 134,988 in 2001.
- **DAN DICKTEN:** Administration Report  
Absent. No report.
- **BOB WESSEL:** Airport Noise Report  
There is to be a meeting regarding the FAA Part 150 Noise Study on November 25th at Mt. Washington Elementary school on Mears.

This "meeting" runs from 5:30pm to 9:30pm and will be set up like a health fair where people can question the consultants on various aspects of the study. These workshop meetings are a routine for these type studies to educate interested persons about the study. The meeting is open to all interested parties.

- **TOM VOGELPOHL:** Treasurer's Report  
The November bank balance is \$193.42.
- **SCOT CONOVER:** Neighborhood Report  
It appears the new school planned for the East End area is still a "GO" even though the CPS Funding Levy failed getting a favorable election result.
- **IAN SCOTT:** Neighborhood Report  
Absent. No report.
- **JEFF SHUMWAY:** Neighborhood Report  
This was Jeff's first visit on behalf of Mt. Washington. He indicated the same issues voiced by his associates in the past are still a priority for the neighborhood.
- **PAT CUSICK:** Safety Report  
Pat Cusick has resigned and a replacement person is needed.

Chairman Joe Loewenstein will contact Richard Xifo, EJM, who may be interested in filing this vital role at Lunken.

### 4. OLD BUSINESS

- **Airport Days for Handicap Children:**  
Everyone was reminded that those who may be interested in setup of such an event in 2003 at Lunken should contact LAAUC. (See end of newsletter for contact information.)
- **LAAUC/LAOAB Working Group:**  
Ky Webb reported the sub-committee has completed most of its work and a compromise is on the horizon between the LAOAB, LAAUC, and LUNKEN.

## 5. NEW BUSINESS

- **Master Plan Review:**

Joe Loewenstein reported on his review of the last Lunken Airport Master Plan. In summary much of the plan has not materialized over the years although the plan was detailed.

Don Rosemeyer responded that the Master Plan is a "vision" of where the Airport should/could go based on various economic and business factors. As part of any plan, the FAA plays a major role in the funding for the plan projections. Without the needed funding and local matching funding, a project within the Master Plan may not come to past. Many times there is a delicate balance between City local matching funds for improvements within a Master Plan and the need for airport upkeep and facility maintenance.

- **Noise Abatement:**

Joe has contacted the air freight companies operating out of Lunken to encourage them to help in the goal of noise reduction, particularly during the evening hours. Both Air Net and Flight Express seemed to be responsive to Joe's request.

- **Candidates for Officers 2003:**

Joe reminded the members that elections are to be held in December 2002 for the new officers of LAAUC in 2003. All persons within/outside LAAUC who may be interested should contact LAAUC. . (See end of newsletter for contact information.)

## 6. ANNOUNCEMENTS

E-mail your questions, ideas, compliments, or complaints early during the month, ideally the week before the monthly meeting date. This will allow for the item(s) to get on the agenda in a timely fashion.

## 7. ADJOURNMENT

-The meeting was adjourned at 6:45 PM.
